

**TRUSTING...**

**Lord, I've traded my strength for Yours  
And I am strengthened by Your arm**

**So when trouble comes my way  
I know it can do me no harm**

**For I have called on You  
And You heard me...**

**My heart's cry has ascended  
Far above what I can see**

**I know you have touched  
And blessed me abundantly.**

**I will rest in Your love  
While I wait quietly for You**

**I will trust in Your faithfulness  
And watch all You are going to do.**

**I will trust You...  
I trust You..**
